The WOMAN'S LOOKOUT

By CLAIRE BURNS

GOOD MANNERS—

Test your knowledge of correct social usage by answering the following questions, then checking against the authoritative answers below:

1. Should one stop eating until a waiter has finished refilling a cup or rearranging dishes on the table?
2. Is it good manners for a host to argue with a waiter over a bill in the presence of his guests?
3. Is it good taste to try to impress one's guest on the lavish tipping?
4. For what is the larger of two knives found on the average restaurant table, to be used?
5. What is the meaning of table d'hôte as seen on a menu? What would you do if—
The menu is written in French and you cannot understand it—
(a) Ask the waiter to interpret it and then do your own choosing?
(b) Ask the waiter to choose for you?
(c) Guess at it?

Answers

1. Yes, or there is likely to be an accident. 2. No. 3. Tipping should be done as inconspicuously as possible. 4. The slightly larger, and supposedly sharper knife for cutting meat; the smaller for spreading butter on bread. 5. Literally "table of the host." Means a meal at a set price without regard to how much or how little one orders.
Best "What Would You Do" solution—(a) is safer and (b) is interesting if you limit him in price.

AVOID MANNERISMS—

Whether you realize it or not a good many unnecessary gestures, mannerisms and "little habits" of which you may or may not be conscious do detract from your appearance.

For instance, no matter how carefully groomed and perfectly made up you may be others forget your attractiveness if you fidget while they are talking, make fluttery, meaningless gestures, twist this way and that or work your facial muscles overtime.

Truly poised persons generally sit quietly in their chairs, do not talk with their hands and seldom frown to emphasize their anecdotes. Their faces are controlled and relaxed. So they are less likely to develop lines and wrinkles than their fidgety friends who literally make faces when speaking.

Naturally, a "dead pan" expression isn't pretty and only serves to make a woman appear dull. However, one can look animated, interested and alive without screwing up the corners of her mouth, making lines between her brows or pulling at her lips or clothes about two-thirds of the time.

CULTIVATE GRACE—

Good posture is a habit—and one which should be cultivated by each and every girl. Once you acquire this fine habit, it's really no more trouble to stand straight and tall, carry your head erect, shoulders square and stomach in, than it was to slump, stoop and stand with your weight on one foot.

Twisting your feet around the legs of the chair, picking at the cuticle around your nails, peeling off nail lacquer bit by bit, twisting a handkerchief or fanning with the curls on the back of your neck are examples of poor graces. Learn to sit still and to look poised and relaxed—even if every lesson you give yourself is near-torture. Sooner than you think, the lessons will pay huge dividends, and you'll be glad you went through the agony of habit breaking.

HOW FANTASTIC WOMEN'S HEADGEAR has become was demonstrated on a city thoroughfare recently when a test was made by a woman who wore on her head a lamp-shade, quite gaudy, trimmed with one rubber band, two artificial flowers, one chain off a bath-tub plug, and a shoe lace. She walked down a crowded boulevard, and the only comment was made by a laundry truck driver, who remarked, "Huh, if you think that hat's screwy, you ought to see the one my wife just bought!" For Spring 1938 advance millinery designers say Spain has been their inspiration. Deep pillbox effects like the gladiators wear, bowl brimmed Breton sailor styles, the flat matador hats and Carmen styles showing colored cords, tassels, pompoms, chin straps, and the individual trimming peculiar to these types of headgear are all in evidence and are said to be most becoming.

HINTS ON FASHIONS

— BY LISBETH —

Can you think of anything smarter than this jaunty walking outfit, sketched in the accompanying picture? This combination may be worn for those long walks in the early spring or at the present time for almost any sports wear.

The skirt is of a heavy wool mixture, while the tucked-in windbreaker with the reverse knit, and two-button opening in the front, is an ideal protection against the biting winds. Smart, and yet sensible accessories, are the snap brim felt fedora and comfortable walking shoes. Brown and neutral make a serviceable colour combination.

Swing Theme Employed

The "swing" theme is being shown in many new spring print designs. Scrolls, arabesques, bows with trailing ends, bits of ribbon, feathery motifs, stems that twist and bend, are some of the variations of this theme.

"Wallpaper" and "chintzy" describes some of the most attractive of the new silk designs worked out in pastel colors for town and resort wear. The bodice has the deep V neckline so popular right now, is finished by a narrow self-material tie. The sleeves are short, and slightly puffed at the shoulders.

The skirt has front pleats, and worn with it is a striking bracelet from Simone Geril, gold set with carnelian.

Flower Prints Bloom Early

Flower prints always blossom forth in the spring, but this season they are presented in a new and interesting manner. There is much use of different kinds of flowers in the same pattern, such as found in a bouquet of wild flowers. Spaced groups or large single flowers are often joined into

blocks by stems or lines. This type of design, worked out in black and white with a spot of color, makes a very smart luncheon or bridge dress.

Large, stylized florals featuring white and grey, white and beige or white and pastels on dark grounds, frequently combine dull and lustrous surfaces in the same flower. This contrast is effective when seen peeping from beneath a dark wrap.

GOOD HABITS FOR BOYS AND GIRLS

- 1.—They should be trained in the "matters of cleanliness" always after breakfast. Every call of the body should be obeyed instantly.
- 2.—Use of a handkerchief.
- 3.—Use of tooth brush and nail brush. Daily inspection after proper training is much better than fault-finding.
- 4.—To breathe through the nose.
- 5.—To put all toys carefully away.
- 6.—To eat and drink noiselessly.
- 7.—To say, "Please," "Thank you," and "I beg your pardon."
- 8.—If boys, to raise their caps.
- 9.—Not to interrupt conversation.

LOW ROUND TRIP RAIL FARES

Follow summer to its all-year home. Thrill to golf under blue skies, relax on warm sands. For a winter vacation or a longer stay, there is never a dull moment. And living costs are very moderate.

Choose your own route. Fares apply direct or via the Canadian Rockies, Vancouver and Victoria to San Francisco in one or both directions.

Habits to Health

ON BRUSHING ONE'S TEETH

Doctor J. Bol, of the City of Utrecht, Holland, has published the results of his investigation into the value or otherwise, of tooth-brushing in the prevention of tooth decay. He examined groups of men, mostly soldiers of about the same ages (19-29) and of similar physical condition and who came from all parts of Holland. One group of 103 men had never used tooth-brush or tooth-paste; another, 130 men, had used brushes and paste since childhood or at least since their 14th year; while a third group, 96 men, had begun to clean their teeth later in life. The non-decayed teeth were counted in each mouth; the criteria of freedom from caries were the absence of fillings, of cavities and the absence of unusual tenderness at the neck of the tooth.

This investigation discloses the remarkable similarity of conditions in all three groups. In the first group, namely those who had never used a tooth brush, the average number of sound teeth remaining (average age 22.49 years) was 21.47. In the second group with brushing in childhood or at least from the 14th year, the number of sound teeth remaining (average age 20.97 years) was 29.96. In the third group, who had begun the cleaning of the teeth later in life, the number of sound teeth (average age 30.91) was 21.57.

Another remarkable circumstance was disclosed. The first group, as might have been expected, came from the poorest classes and had seven times the number of hypoplastic (defective or ill-formed) teeth found in the second group. So far as it goes this fact tends to upset the theory of Mrs. Mellanby who claims to have demonstrated a direct association between teeth structure and tooth decay.

Dr. Bol's report shows that mouth hygiene as practiced in Holland is of no value in the prevention of caries. Moreover the tooth-brushes cannot readily be kept clean; this article is a fruitful cause of gum-retraction and the use of soap and soap-containing tooth-pastes is one of the commonest causes of decay of the necks of teeth. One judges that the doctor will not be over-popular among the tooth-brush and tooth-paste manufacturers of his native country.

—By John W. S. McCullough, M.D., D.P.H.

\$25 Reward

will be paid by the mfgs. of LLOYD'S THYMOLATED CORN SALVE for any corn or callous. THEY cannot remove with this wonderful new scientific preparation for CORN OR CALLUSES. It de-sensitizes and relieves pain with first application. For sale at 40c at Dymond's Drug Store, Grimsby.

TRAGEDY ON A BUS

Women's styles have often been said to change over night but this is perhaps the first time on record that they have changed over a bus ride. A local young lady, attending school in Buffalo, had to plunge through a heavy snowstorm on her way to the ferry. Her clothes were very wet when she got on the bus so she stationed herself as close as possible to a heater. Then the natural forces got in their work. The young lady's dress shrank to the proportions of those costumes which Florida dress press agents drape on youthful nymphs to make life more bearable for Florida residents — and newspaper readers. The emergency necessitated cutting the day's classes and returning to the home fires. —Fort Erie Times-Review.

CANADIAN NATIONAL

SOCIAL and PERSONAL

Mr. Norman Johnson, who at present is employed at Port Perry, spent the weekend in Grimsby.

Mr. and Mrs. P. V. Smith are taking up residence in the new Arthur E. Hewson house on Depot Street.

Mrs. James Durham and son of Hamilton are spending a few days this week with Mrs. Norman Johnson, Park Road.

Miss Lilian Wilkins, of Toronto, was a week-end guest at the home of her parents, Mr. and Mrs. P. E. Wilkins, Maple Ave.

Miss Betty Farrell, R.N. of Woodstock spent a few days last week at the home of her parents, Mr. and Mrs. Harry E. Farrell, John Street.

Mr. G. F. Hannag, Chief Engineer of Residency No. 4, Ontario Department of Highways, is confined to his home at Clarkson, through illness.

Mrs. J. Chambers, Mrs. David Cloughley and Miss Alda VanMere from Grimsby Chapter, No. 195, O.E.S., attended the installation meeting of Historic Chapter, Stony Creek, on Tuesday evening.

Those from Grimsby attending the Convention of Canadian Fruit and Vegetable Jobbers' Association held in London, Ontario, Tuesday, Wednesday and Thursday of last week were Messrs. Earl Marsh, Kenneth Baxter, Hugh Campbell, and Wm. Balsey.

The Chorallans, Miss Theo Seney's excellent choir of ladies from Hamilton, are to give a concert in the High School Auditorium under the sponsorship of the Students' Executive, during the month of March. These singers are always a pleasure to listen to and their program on this occasion will be of more than usual interest.

The North Grimsby Reading Club held an enjoyable sleighing party on Thursday evening of last week, when some thirty-five, occupying two sleighs, afterwards stopped off at the home of Mr. and Mrs. Robert Beamer for a social evening. A happy few hours of singing, card playing and games was concluded by the serving of refreshments.

On Saturday evening Mrs. Earl Cornwell, Jr., was the guest of honour at a miscellaneous shower, when Miss Mary Belcot of St. Ann's, entertained about forty friends, at her home. Mrs. Cornwell was the recipient of many lovely gifts and a happy evening was spent in playing games. The hostess served delicious refreshments at the close of the evening.

The members of the choir of St. John's Presbyterian Church were delightfully entertained at a social evening at the home of Rev. I. B. and Mrs. Kaine, Livingstone Ave., on Friday last, there being twenty-five present. An enjoyable few hours were spent in a program of music, games and contests, after which the evening concluded with the serving of delicious refreshments by the hostess.

Alexina Rebekah Lodge, No. 267, held their regular euchre party in the Masonic Hall on Tuesday evening, with Mrs. David Cloughley and her committee being in charge of arrangements. Ten tables were in play and Mrs. A. W. Elckmeier and Walter J. West won the respective prizes for ladies and gent's high score. Consolation prizes went to Mrs. Ambrose and Fred Schwab, while Percy Shelton received the door prize. The lucky ticket on the cushion draw was held by Mrs. Thomas Warner. At the close of the evening Mrs. Aldrick and her committee served refreshments.

Mrs. H. Singer, Oak Street, is visiting friends at Allanburg and Welland.

Miss K. Taylor, Oak Street, is spending the winter months with her sisters at Ottawa.

Miss Jessie Rust of Toronto is a guest this week with her mother, Mrs. George Price, Model Dairy Apartments.

Miss Margaret Loos of Buffalo was a weekend guest at the home of Mr. and Mrs. Richard Theat, Mountain Street.

A number of young people from Grimsby were among the dancers at the Royal Connaught at Hamilton on Tuesday evening.

Mrs. Hogg and Mr. Geoffrey Hogg, of Toronto, were Sunday guests at the home of Mrs. G. A. Lano, Main Street, East.

Many friends will regret to learn of the illness of Mr. W. L. Halst, at his home here, and will extend wishes for his early and complete recovery.

Mrs. Douglas Scott underwent an operation in Hamilton General Hospital this (Thursday) morning, and her friends will wish her a speedy recovery.

Mr. and Mrs. N. C. Bates and family and Misses Mildred and Ena Bernardo, of Toronto, were weekend visitors at the home of Mr. and Mrs. E. Bernardo, Ontario Street.

Mrs. J. H. MacMillan entertained at a delightful luncheon and bridge at her home on Thursday afternoon, the prize winners in bridge being Mrs. A. N. Ashton and Mrs. Upham.

Friends of Mrs. Blanche Taylor, Grimsby Mountain, who has been confined to her home the past three weeks through illness, will extend their wishes for her early return to health.

Many friends in Grimsby, where she visited with her sister, Mrs. A. G. Boulter, now of Smithville, will regret to learn of the death of Mrs. Charles Weir, of St. Thomas, which occurred there on Monday, funeral service being held on Wednesday.

In the report in last week's publication, of the installation of officers of Grimsby Chapter, No. 195, O.E.S., the names of Mrs. Rose Harris, installing Board Conductor, and Mrs. Inez Cloughley, installing Board Electa, were inadvertently omitted.

I.O.D.E.

The I.O.D.E. Bridge Club held a most successful telephone bridge on Monday afternoon, when the following ladies acted as hostesses: Mesdames C. D. Millyard and Gordon Sinclair, at the latter's home, Mrs. J. H. MacMillan, Mrs. A. F. McIntyre, Mrs. Fred Marsh, Mrs. George Hoehal, Mrs. Fitzgerald, Mrs. Kenneth Baxter, Mrs. H. P. Corry, Mrs. Norman Merritt, Mrs. Clyde VanDyke, Mrs. Leslie Farrell and Mesdames Wolfenden and Hughes at the former's home. In all, there were nineteen tables in play, the scores being recorded at the home of Mrs. Clyde VanDyke. Prizes for high scores were won by Mrs. J. Merritt, first, and Miss Irene Hope, second. Several cash donations were sent into the club by some who were unable to attend. At the conclusion of the games the hostesses of the afternoon served refreshments.

Regular Business Meeting
The regular business meeting of Lincoln Loyalist Chapter, I.O.D.E. will be held on Monday afternoon next in the Chapter room at 2:45 o'clock. As nominations will take place at this meeting, all members are urged to be present.

Nuptials

BAILEY-SHEPPARD

Many friends in Grimsby, where the groom was employed by a local firm for many years, will be interested in the marriage which took place on Saturday afternoon at the Church of St. Thomas, Hamilton, at 3 o'clock, when Ethel, daughter of Mr. and Mrs. Charles H. Sheppard, became the bride of Mr. Reginald Stanley Bailey, Winona, son of Mrs. Balsey and the late Mr. J. H. Balsey, Winona. The altar, banked with daffodils and stelia, was lighted with tapers, while standards of daffodils and mauve stock, and palms and ferns were used to lend a touch of spring to the setting. Rev. T. N. Lowe conducted the service.

The bride was attended by Mrs. John J. Orders, as matron of honour, formerly Eldine M. Twist. As a token of their friendship she wore the lovely gown worn by Mrs. Orders at her wedding in the spring. Ivory chiffon velvet with a court train of headdress lace and velvet extending from the shoulders. Velvet roses, studded with seed pearls formed the high neckline and the sleeves were close-fitting at the wrist. The full-length bridal veil was worn from a coronet of pleated veiling adorned with orange blossoms. She was wearing satin and crepe slippers and carried an arm bouquet of calla lilies and lilies of the valley.

The matron of honour wore an embroidered French nylon dress in apricot shade with matching head-dress of tulle in coronet style, apricot lace mittens and pansy shade slippers. Her flowers were lavender sweet peas and Treen roses, in a cascade bouquet.

Mr. William Balsey, of Grimsby, was the best man, and Mr. Cameron Matchinson and Mr. Frank Baker, Jun., were the ushers.

The organist, Miss Lily Poene, played the wedding music, and Miss Helen Douglas, soloist, sang "Calm as the Night."

A reception was held at the Rosedale Manor, following the ceremony. Tall white tapers, lilies of the valley and forget-me-nots decorated the bride's table and spring flowers were used throughout the room. The bride's mother was wearing hyacinth blue silk chiffon, hat of crepe with crown of violets, and corsage bouquet of Rapture roses and violets. The groom's mother was in blue velvet with grey hat and corsage bouquet of Briarcliff roses.

For the wedding trip to the Limberlost Lodge, Huntsville, where the couple will aid, the bride wore a bolero dress in black and white, white kid gloves, corsage bouquet of white gardenias, and black hat, with raspberry English boucle coat trimmed with black Persian lamb. On their return they will reside in Winona.

Out-of-town guests: Niagara Falls, N.Y., Mr. and Mrs. Stirling and Hilda Stirling, Mr. and Mrs. Hillman and Myrtle Hillman, Mr. and Mrs. Shepherd, Grace and Reg. Shepherd; Sarnia, Miss Grace Smith and Mr. George Dean; Toronto, Miss Clarabelle Nickerson and Mr. William Hayward; Peterboro', Mr. Herbert Bourne and Miss Fanny Bourne.

KUSHKO-KALINOVICH
Many friends attended the wedding and reception which followed on Saturday afternoon in Hamilton when Ella Kalinovich, daughter of Mr. and Mrs. Steve Kalinovich, of North Grimsby, was married to

MRS. FRED JEWSON IS NEW PRESIDENT

In the absence of the president, Mrs. Percy Shelton, through illness, Mrs. Fred Jewson occupied the chair at the meeting of the Mothers' Club held at her home, Grimsby Beach, on Thursday afternoon last, when the election of officers for 1938 was held, resulting as follows: Hon. President, Mrs. A. E. Bethune, Hamilton; President, Mrs. Fred Jewson; First Vice-Pres., Mrs. Andrew Stevenson; 2nd Vice-Pres., Mrs. William Robinson; Sec.-Treas., Mrs. H. G. Mogg; clinic committee, Mrs. William Chivers and Mrs. Clifford McCartney; sick and visiting committee, Mrs. L. A. Bromley and Mrs. George Koskile; pianist, Mrs. Frank Merritt.

A short program including a vocal solo by Alice Robinson and readings by Shirley Mills and Havoc Jewson, were greatly enjoyed.

At the close of the meeting a social half-hour was enjoyed, during which Mrs. Robinson and her committee served refreshments.

The next meeting of the club, under the heading of Health, will be held at the home of Mrs. L. Larsen, Robinson Street South, on February 17th, when Mrs. A. Stevenson, convener and her committee, including Mrs. Frank Merritt, Mrs. Clifford McCartney, Mrs. George Silver and Mrs. J. H. May, will be in charge.

FRUIT AND VEGETABLE

The special lectures which are being given in connection with the three-months' school in Agriculture at the High School, Grimsby, will continue next Monday, Tuesday and Wednesday. A good number of the growers of this district have taken advantage of the information being offered by the men from Vineland and St. Catharines Dominion Laboratory, and a very cordial invitation is extended to all, who have not as yet been in attendance, to be out during the coming week.

Nick Kuehko of Toronto, with Father Olenchuk, of Hamilton, performing the marriage ritual.

The bride was wearing a gown of white lace, made with Queen Anne collar, and she carried white roses and lilies. Her bridesmaids, Miss Olema Pendyk of Grimsby and Miss Helen Wisniewski, wore satin dresses in shades of blue and yellow and carried bouquets of pink roses and baby's breath. The couple are taking up residence in Toronto.

Col. W. W. Johnson Heads Legion

The regular monthly meeting of the branch was held at Durham's Restaurant on Wednesday evening, January 19, 1938, with President J. Jenkins in the chair.

Immediately after the reading of the minutes, comrade President Jenkins installed, in his very capable manner, the newly appointed Officers and Executive, composed as follows:

President—Col. W. W. Johnson; First Vice President—Geo. Spencer, Grimsby; Second Vice President—George Sheppard, Beamsville; Treasurer—Poppy Fund—E. S. Johnson; and the following members of the executive:

George Warner, Grimsby; E. Jenkins, Beamsville; Fred Jones, Winona; Charles Platta, Vineland; J. R. Middleton, Wellandport; Howard Dawe, Grimsby Beach; C. H. B. Croft, Smithville.

Immediately after the installation, Past President, Comrade Jenkins, conducted the newly appointed President, Comrade Col. W. W. Johnson, to the chair, he at that time taking over the meeting. Comrade Jenkins thanked the Veterans for their whole-hearted support of the Branch during his term of office, and President Comrade Col. Johnson, in accepting his office, asked of the Branch, the same support for himself.

Comrade E. S. Johnson, an active member of the Branch, was congratulated upon being elected as Mayor of Grimsby, and congratulations were also offered to the following Veterans in the District, who also obtained municipal honours: Comrades Chivers, Lothian and LindenSmith.

The Branch passed a resolution, thanking the Lena Davis Chapter, I.O.D.E., of Beamsville, and the Lincoln Loyalist Chapter I.O.D.E., of Grimsby, for their kindness in supplying baskets for needy veterans at Christmas time.

Comrade President Johnson, was elected delegate to attend a Dominion Conference of the Canadian Legion, being held at Port William, from January 31st, to February 3rd, 1938.

COUNCIL INSPECT

(Continued from page 1)

new president of the Lincoln County Ex-Warriors Association, appeared to ask the co-operation of the council with his organization, and to congratulate the warden and members on their election to the county council.

Communications were received from:

Middlesex County, asking support of a resolution to reduce the number of hydro subscribers required by the Hydro Electric Power Commission from three per mile to two a mile.

Good Roads Association, requesting representation from the council at their annual convention in Toronto on February 21st and 22nd.

North Grimsby Township council, requesting the county to add the Ridge Road to the county road system.

Hastings County, asking support of a resolution, which held that no hospitalization should be paid for by the counties unless the indigent patient had lived by gainful means in that county for the previous 12 months.

Dufferin county, asking support in seeking amendment to the farmers' creditors' arrangement act.

Perth county, seeking support in an appeal to the provincial government for larger grants for educational purposes.

Ontario Municipal Association, asking Lincoln county to join the organization.

Ontario Association of Rural Municipalities requesting representation at their annual convention in Toronto.

Managers and Matrons Association for Industrial Homes, asking representation of the manager and matron of the Lincoln County Home at Lenington on June 28-30.

Salvation Army, Hamilton, seeking a grant.

Farmers' Advocate, hoping that reforestation and conservation

PATON STREET BRIDGE

(Continued from page 1)

Winona by C.N.R. freight and then trucked to the job. Winona is the central unloading point for all material being used on the new highway by the Dominion company.

The structural timber and lumber used as forms for the concrete pouring on the Paton street job, have been removed and taken to the job on Maple avenue, where a bridge of similar type will be constructed, the piers for same having been poured some weeks ago.

It is expected that it will take at least six to seven weeks to finish up the Maple avenue job when work will be started on the real big cut on Ontario street.

There has been considerable comment around town during the past month, as to why the work had not been started on Ontario street. The answer is very simple. With Paton street and Maple avenue both being cut off, owing to the excavations for the highway and no bridges erected, how would traffic get to and from the north end of the town.

Moreover, if all three thoroughfares were torn up at same time how would the fire department be able to give efficient service. Going to Nelles sidewalk and around on to Ontario street, by the way of Lake street, would consume considerable time. Such a move on the part of the construction company or the Highways Department would have brought Chief DeMille and the Fire Underwriters into quick action.

would be continued in the county.

Ontario Agricultural Council asking appointment of one or more delegates to their council.

Ontario Education Association, asking support in their quest for higher grants for education from the government.

Now popular in other countries as pets, chow dogs were raised in China for food: "Chow", in Chinese means "food."

The Golden Text

Mark 2:5—"Son, thy sins are forgiven."

Jesus Forgives Sin

PREVIEW ON THE SUNDAY SCHOOL LESSON

By DR. ALVIN E. BELL

(The International Uniform Lesson on the above topic for Jan. 30 is Mark 2:1-12, the Golden Text being Mark 2:5, "Son, thy sins are forgiven.")

"A FRIEND in need is a friend indeed." The paralytic of our lesson had four friends who were friends indeed. The measure of their friendship was not the difficulty in the way but the extent of their friend's need and his own helpfulness to meet that need.

Jesus and the Crews
Jesus had no difficulty in drawing a crowd. His difficulty was rather in avoiding the crowds that better teaching might be done. But even when he withdrew from the cities and "was without in desert places," they came to him from every quarter. And when he entered again into Capernaum after some days it was noted that he was at home. And many were gathered together, so that there was no longer room for them, no, not even about the door; and he spake the word unto them. So the teaching of the Word of God was the magnet that drew the crowds to our Savior. Repeatedly "they pressed upon him to hear the Word of God." Of course there was much of idle curiosity, and Jesus never encouraged this. But there was also much genuine heart hunger and Jesus never disappointed this. He fed the people upon the things of God for which their souls hungered and "the common people heard him gladly." If our churches and Sunday schools are not drawing the people it is not that human nature has changed but rather that we have changed from the method of Jesus to methods different from his.

"Where there is a will there is a way." When it is the will to help someone else rather than ourselves. The four friends who brought the paralytic to Jesus were undaunted when they could not gain admittance to the house of Simon where Jesus was teaching the crowd that packed the house to the doors and overflowed into the yard. They climbed the steps to the flat roof and removed the matting or other light roofing material and lowered their helpless friend, mat and all, into the presence of Jesus whose room was quickly

made for those whose earnestness and determination challenged the attention of all. Far from disrupting or even interrupting the sermon, the interruption became the sermon's clearest illustration. "Jesus seeing their faith sayeth unto the sick of the palsy, Son, be of good cheer, thy sins are forgiven."

A Strange Diagnosis

That was a surprising diagnosis of this man's need! Who said anything about sins or forgiveness? Is that why these men have gone to all their trouble in tearing up the roof and lowering their friend? Why not say, "Son, be of good cheer, thy paralysis is cured?" Because the Good Physician aimed not at accidental symptoms but at fundamental causes. Man's deepest-seated need is spiritual rather than physical. Sin is more depressing than sickness and more deadly. Christ's authority to minister in this realm of divine prerogatives was questioned by those who took him for a man only instead of the God-man, and they charged him with blasphemy. But he vindicated his authority to "restore my soul" by exercising demonstrable power to heal the body, giving as his reason, "That ye may know that the Son of Man hath power on earth to forgive sins." It was an amazing claim, amazing demonstrated as the man took up his bed and walked forth before them all. Christ Jesus is a Savior who "cleanseth us from all sin." "He restoreth my soul."

ST. ANDREW'S MEN'S CLUB

The usual monthly meeting of The Men's Service Club of St. Andrew's Church will be held in the Parish Hall on Tuesday evening next, February 1st, at 8 o'clock.

The speaker for the occasion will be the Venerable Archdeacon A. C. Mackintosh, of Dundas, whose subject will be "The Coronation of King George VI. Archdeacon Mackintosh was chaplain to the Canadian contingent at the coronation and his address on this topic will be looked forward to with a great deal of interest.

There will be the usual music and refreshments and it is anticipated that a large number of the members will be present.

Within Our Churches

NINTH ANNIVERSARY OF ST. JOHN'S PRESBYTERIAN CHURCH CELEBRATED

Rev. I. B. Kaine, Preaches Two Forceful Sermons — "The Pile of Stones Speaks" — A Most Descriptive Outlook on Life Given by Those "Stones".

Last Sunday St. John's Presbyterian church celebrated the ninth anniversary of the dedication and opening of their beautiful church. The minister, Rev. I. B. Kaine conducted the services.

In the morning he spoke on the subject "The Ninth Anniversary." He stressed the fact that the church would be entirely what the people made it. Thinking, the people for their whole-hearted co-operation, Mr. Kaine gave a review of the work of the church since its inception with particular mention being made of the work attempted during the last three years.

In conclusion he challenged the people to make the tenth year one of the best in the history of the church.

At the evening service the subject of the sermon was, "The Pile of Stones Speaks".

In a beautifully descriptive and dramatic manner the minister took the story of Joshua and his soldiers crossing the Jordan river, the difficulties overcome, the discouraging advice given and the final victory when they erected a monument.

He compared the building of the church when in spite of almost unsurmountable obstacles, the members went to the mountain, dug out the stone, and with great faith in God built the church where they worship, a monument that would stand, and perhaps in the future as at present, people would say "What mean ye by these stones?"

Answering the question the speaker said the church was an earthly residence for Christ, the Communion of Saints, the Salvation of people, the Alma Mater of all hopes and Brotherhoods.

No one is essential, for God can always choose another. At a time of calamity God said to Joshua, "As I was with Moses so I will be with thee." Many blessings can be received from the church.

The investment of the people would pay eternal dividends. The church would speak to the people for many centuries to come.

History

The history of St. John's, from the time of the church union vote in 1925 up until the new church was opened and dedicated on Sunday, January 20th, 1929, is here-with presented, exactly as it appeared in The Independent, issue of January 23rd, 1929:

On Sunday, December the 22nd, in the year of our Lord, 1928, the congregation of St. John's Presbyterian Church, situated on Main St., Grimsby was called upon to vote on the Union of the Methodist and Presbyterian Church into one United Church. The vote recorded on that day was one hundred and sixty for Union and one hundred and fourteen against. Many of those in the minority banded together and decided to continue as a Presbyterian Church and to this end many meetings were held.

On Friday, the first day of May, 1928, a meeting was held in the Masonic Temple, over which the Rev. Banks Nelson, D.D., presided and the congregation was duly organized and the following officers elected:

Chairman, William Sangster; Secretary, Douglas Livingston; Treasurer, J. H. Gibson. The Board consisted of the foregoing members, Thomas Walker, G. W. Crittenden, John Grant, L. A. Wade, A. W. Eickmeier and the late William Stewart.

At this meeting it was decided to

HOW ST. JOHN'S WAS BUILT

When St. John's Presbyterian church was erected a great amount of the labor entailed in its construction was done voluntarily by the adherents of the church. The above picture shows some of the most prominent citizens of the district doing manual labor. They are taking the stone out of the mountainside, with which the church was built. In the pictures are the Rev. J. R. Hastings, John Briden, George Gibbons, A. W. Eickmeier, Eugene Beck, Jas. A. Wray and the Rev. Graham.

hold the first service on Sunday, the 3rd of May 1929. The services of the Rev. Quinn of Beamsville, a retired Baptist minister, were secured to preach the first sermon. The question the arose as to a place of meeting. The Wardens of St. Andrew's Anglican Church, hearing that the Presbyterians were without a church home, kindly offered them the use of the Parish Hall. Their generous offer was immediately accepted, for it made possible the continuance of the church. For the past three years the services have been held in the Parish Hall, which in itself reflects the feeling existing between the Anglicans and Presbyterians of Grimsby and the willingness of Rev. J. A. Ballard, the Rector, and his congregation to assist those in the minority to carry out as a Presbyterian Church.

For many months students and available ministers supplied the pulpit, till the congregation became strong enough to call a minister. A meeting on April 29th, 1928, was called and Rev. C. L. Cowan, of Hamilton, who was Interim Moderator, officiated and a unanimous call was extended to Rev. H. B. Graham.

This congregation supported their desire for a church with handsome contributions to the building fund, and many a sympathy with the movement. Grimsby and other centres have also done their part to assist in the erection of a most modern church. The interior is finished and furnished in the latest designs and the general appearance of the church is conceded to be artistically beautiful. The first sod was turned on Sunday afternoon, January 15th, 1928, by J. L. Sayden, the Senior Elder and was dedicated after prayer by the minister. Mention should be made of the

sacrifices that have been made by the members of this congregation to erect for themselves a place of worship. They have striven ever since they lost their church in June 1925 to erect another church. The ladies of the congregation have, with their united efforts, been in a large measure responsible for the gathering together of monies to assist the board of managers. They in turn were encouraged by the splendid showing of the men who voluntarily gave their time and services in the quarrying of sufficient stone from the side of the mountain to complete the stone work of the church. The Y.P.S. and Girls' Bible Class have also done their part. Thus by determination and co-operation the erection of the new church on Mountain Street has been made possible, and it will long stand as a memorial to those people who love the faith. The opening of the doors Sunday to the general public gave an opportunity to every one to see what has been accomplished by the Presbyterians of Grimsby.

Gifts to the Church

The congregation gratefully acknowledges generous contributions to the Building Fund and also the many beautiful gifts from members of the congregation and others, by which the Church Auditorium is so well furnished.

ST. JOHN'S PRESBYTERIAN CHURCH

Sunday, January 30
Minister—Rev. I. B. Kaine, B.A.
11 a.m.—Digging Old Wells.
7 p.m.—Service withdrawn for anniversary of Baptist Church.
Monday, 31 p.m.—Westminster Club.
Wednesday, 7:30 p.m.—Midweek Service.
Sunday evening, Feb. 6 will be an evening of Poetry and Song. Poems of Edgar Guest will be read.

Trinity United Church

"Drastic Operations" will be the subject of the sermon in Trinity church at the morning service next Sunday. Owing to the Anniversary Services of the Baptist church, the evening service will be withdrawn. The annual meeting of the congregation will be held on Tuesday Evening, Feb. 1st. It will take the form of a supper meeting beginning at 6:30 p.m. to which all the congregation is invited.

GRIMSBY BAPTIST CHURCH ANNIVERSARY SERVICES

Anniversary services will be held in the Baptist church next Sunday. The speaker for the day will be Professor F. W. Watters of McMaster University.

Prof. Watters is a man of wide experience in social service work and in the Christian ministry. He is a graduate of McMaster in Arts and Theology, and was one of the most brilliant students that that university has turned out. For many years he was Director of Memorial Institute, a church centre ministering to the varied needs of all classes of people in downtown Toronto. Then he spent two years in post graduate work at Harvard, and from there was called to the pastorate of McPhail Baptist church, Ottawa. Mr. Watters was always a keen student of Philosophy and two years ago was elected to the chair of assistant professor in Philosophy in McMaster University.

The choir has been fortunate in securing for the day the services of Mr. and Mrs. Ernest Meeling, tenor and alto soloists of Leaside United church, Toronto. The choir will also sing a number of anthems.

ST. JOHN'S ANNUAL MEETING

A large number of members of St. John's Presbyterian Church were in attendance at the annual congregational meeting, held on Wednesday night last.

Reports of all the church organizations were particularly gratifying. Receipts for the last year were considerably higher than in 1928, and the congregation was enabled to pay a good sum on the church mortgage. An increase of 30 in the membership over the previous year was reported, and the figure is now almost double that of three years ago. The financial status was reported as being in good shape. J. D. Lamont presided as chairman of the meeting. Charles Coxall, Clarence McNinch and J. H. Gibson were elected to the board of managers. A. W. Eickmeier was appointed trustee to fill the vacancy caused last to attend the illustrated lecture in the High School Auditorium were well rewarded for their efforts. With the assistance of a large number of beautiful views, J. F. Clark, lecturer to the Department of Agriculture, presented his lecture, "Beauty of the Horticultural World." Pictures of trees in various parts of the world, were shown, Mr. Clark dwelling upon their value in horticulture, and their utility in general. Views of artistic gardens in this and other parts of the world were much admired, as were the numerous specimens of the best types of flowers shown on the screen. The chairman G. G. Bourne, President of the Society suitably acknowledged the audience's appreciation of Mr. Clark's interesting and instructive lecture.

Pulpit Bibles.

The Electric Light Fixtures. Choir Gowns and Mortar Boards.

The Choir. Pulpit Light Fixtures. Two Communion Plates and Dollies for the same.

Contracts for the building of this church were awarded to Messrs. Gordon and Newton for masonry work and Messrs. Shafer Bros. general contractors for the remaining portion.

Granite is a fine-formed rock has been exposed to great heat and pressure.

A.Y.P.A. ACTIVITIES

Miss Florence Laing and her group had charge of the Music and Literature night of St. Andrew's A.Y.P.A. held in the Parish Hall on Wednesday evening of last week when a splendid program was provided, William Morrison, acting as chairman. The program included readings by Jean McEwen and Lilian Johnson, piano solo by George Burgoyne and a musical contest conducted by Mr. Burgoyne. Miss Nem Bourne gave an instructive talk on English Choir Music and Miss Laing contributed to the program with a reading. The serving of refreshments brought the evening to a close.

St. Andrew's A.Y.P.A. is taking part in the annual Lincoln and Welland A.Y.P.A. Drama Festival being held in St. George's Hall, St. Catharines, on Wednesday and Thursday evenings of this week, when they present the one-act drama entitled "The Curtain" this (Thursday) evening. Eight societies from the two counties are taking part in the competition. The cast, including Misses Madge Croft and Mary Liddle and Messrs. Vernon Croft, Blake Marlowe and Wm. Morrison, has been directed by Miss Florence Laing, and we are confident that this society will live up to its usual high standard of excellent performance.

MINISTER WELCOMED

At the annual vestry meeting of St. John's Anglican Church, Winona, held last week in the Winona Hall, Rev. E. and Mrs. Brillingner were welcomed at a reception, following the meeting, by Col. Armand A. Smith, on behalf of the parish.

The reports from the various organizations showed the church had a very successful year, ending with a substantial balance on hand. Rev. E. Brillingner presided.

The following officers were chosen: Rector's warden, Fred Colbrook; people's warden, C. J. Bradshaw; advisory board, Rev. E. Brillingner, Lieut-Col. A. Smith, G. Gibbons, E. M. Smith, G. Lewis, E. Colbrook and C. J. Bradshaw; sidesmen convener, Fred Colbrook; chairman of laymen committee, Douglas Thomas and Fred Colbrook; lay delegates, Col. A. Smith and George Lewis; auditors, E. M. Smith and J. E. Piddicombe.

THE HEART OF SPAIN

To acquaint the people of Ontario with the situation in Spain and the work being done there by the Committee to Aid Spanish Democracy, a series of meetings is being held throughout the Province. A moving-talking picture is being shown, "The Heart of Spain." It will be shown in Trinity Hall at 8 p.m. on Thursday, January 27.

A prominent speaker will also be present and give an address upon the Spanish situation.

HORTICULTURAL SOCIETY

The members of the Grimsby Horticultural Society and others who endured the unpleasant weather conditions of Monday evening last to attend the illustrated lecture in the High School Auditorium were well rewarded for their efforts. With the assistance of a large number of beautiful views, J. F. Clark, lecturer to the Department of Agriculture, presented his lecture, "Beauty of the Horticultural World." Pictures of trees in various parts of the world, were shown, Mr. Clark dwelling upon their value in horticulture, and their utility in general. Views of artistic gardens in this and other parts of the world were much admired, as were the numerous specimens of the best types of flowers shown on the screen. The chairman G. G. Bourne, President of the Society suitably acknowledged the audience's appreciation of Mr. Clark's interesting and instructive lecture.

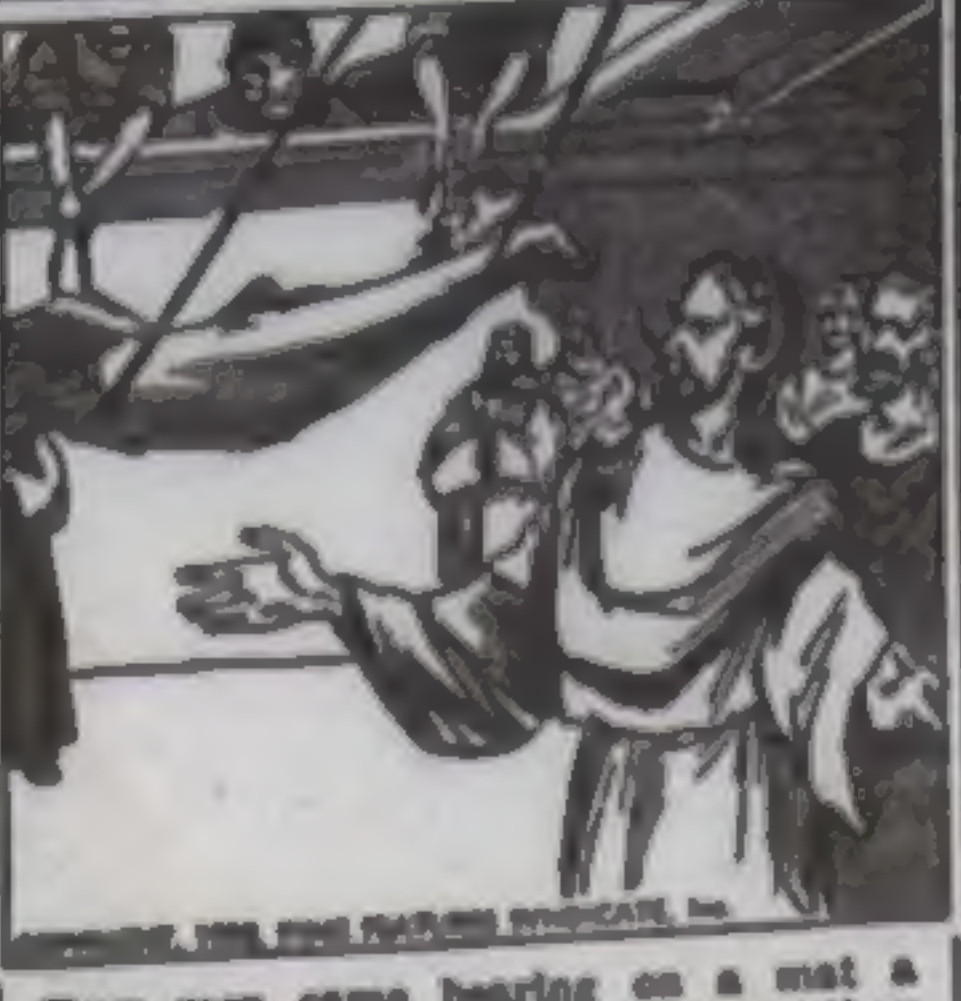

Jesus Forgives Sin

ILLUSTRATED SUNDAY SCHOOL LESSON

Scripture—Mark 2:1-12.

Jesus had no difficulty in drawing a crowd. As soon as the people learned that he had returned to Capernaum they packed to the doors the house where he was staying because they knew he would teach them the Word of God.

Four men came bearing on a mat a friend who was paralyzed whom they wished to have Jesus heal. Finding the house crowded they climbed to the roof and made an opening through which they lowered the man into his presence.

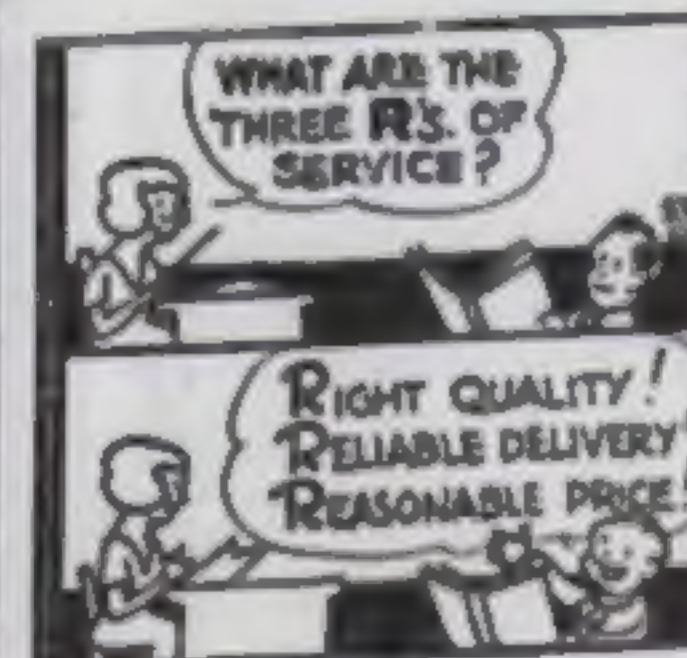

The interruption became a fine illustration for Jesus' sermon. For when he saw their faith he said, "Son, be of good cheer, thy sins are forgiven." Some thought Jesus guilty of blasphemy for thus claiming authority to forgive sin.

Jesus proved his authority by saying, "That ye may know that the Son of Man hath power on earth to forgive sins, I say unto thee, Arise, take up thy bed, and go unto thy house." And the man arose, rolled up his mat and carried it away. (GOLDEN TEXT—Mark 2:5.)

Cataracts Meet Peach Kings Here Friday Night

Two Big Games Next Tues. Night

Port Dover and Milton Will be
The Visitors to Play The
Independents And Peach
Pits — Kids Win Another
Pair.

When the colored gentlemen from St. Catharines invaded Grimsby on Tuesday night, they figured that they would take a win home, but "Bung" Ferrie, Gamecock Warner, Johnny Farrell and a little fellow by the name of Craig kind of upset their calculations.

The Dyke Lawson trained crew of kids were going to town just like Dyke and his Peach Kings were going in Thorold. That game had to be won and Johnny Thaird had to keep his "scoreless" record intact.

On the other hand, Ernie Mason has decided that it is quite possible that he has a hockey team. He did a lot of juggling and finally brought up a line that looks like it might be able to take care of itself in any kind of company. And don't think for a minute that those yellow clad Thorold boys were not going to town.

They have a lot of smart hockey players on the Moutie juveniles and they know what it is all about, but the Mason kids were just a little bit too good.

It is a right smart kind of an evening's pleasure to have the two kid teams grab off a win, but to have it capped by the Kings winning, makes the orange juice taste all the sweeter.

Next Tuesday night will bring to Grimsby the best two teams of youngsters in the province. At 7:30 Milton, will clash with the Independents and at 8:30 the Peach Pits will take on the Port Dover juveniles.

Thanks to the officers, executive, and members of the E. D. Smith Recreation Club, both these teams are able to have one-half hour more in which to play their games, the members of this organization gladly giving up that half hour, in order to help the two teams get in their play. This was necessary owing to the distance that the teams had to travel.

JORDAN SETS THE PACE

In Beamsville and district hockey League games Saturday the feature tilt was a 3 to 3 tie between the league-leading Jordan crew and Lower Thirty, the latter being but three points behind the leaders. The first period ended 1-1, Moyer scoring for Jordan and Johnston netting the Lower Thirty. In the middle canto Foster scored for the league-leaders and Southward for the Thirty crew. Halfway through the final canto Markey put Jordan ahead, only to have Johnston net the equalizer for Lower Thirty.

KILLED IN SPAIN

Former sports writer and lately covering the Spanish war for a news syndicate, Edward J. Neil (ABOVE), died at the Red Cross hospital in Saragossa, Spain, from injuries sustained when a 75-millimetre shell struck the automobile in which he was riding. Of the three newspapermen who were riding with Neil, two were killed and the third slightly wounded. The reporters were covering the battle of Teruel, said to be the greatest since the beginning of the war.

A good sailor never gives up the ship, and Peach Kings and their supporters have not given up the Old Brig, for they still have a chance to be in the play-offs, by the time that February rolls around. Just because Niagara Falls and Port Colborne are sitting on top of the heap and riding pretty does not mean that the Kings are out of the picture. You must remember that those two teams are Senior B. outfits and as such, playoff their own round robin series, while Kings, Macs and Mounties are Intermediate A teams and the two top teams of the three when the chips are all down, have their play-off series.

That win in Thorold on Tuesday night just put the Kings in fine fettle and five will get you ten that they take the Cataracts on Friday night. If the red clad boys can do this little feat it will put them right up on top.

On their performance on Tuesday night they looked like the real hockey team that they are. For the first time this season Earl Tufford, Dyke Lawson, Teddy Hand and all the rest of the crew were carrying the "Message to Garcia" and if Rex Stimers broadcast is to be relied upon the game the Kings put up was the best that they have exhibited this season.

Geo. Marr's ice box should house the largest crowd of the past 10 years on Friday night, as the Cataracts, led by Tommy Boyd, are one sweet team, and with the Peachettes playing the brand of hockey that they are it should be a real tilt.

EARL TUFFORD AND COMPANY TAKE THOROLD MOUNTIES 4-1

Beamsville Star Gathers Him-
self a Lot of Glory And a
Bunch of Scoring Points—
Kings Played Real Heads up
Hockey.

Coming from behind, after a scoreless first period, Peach Kings centered to town on Tuesday night, when they triumphed over Thorold Mounties right in their own backyards by a 4-1 score.

Earl Tufford, of the Beamsville Tuffords, covered himself with glory and accumulated for himself a lot of scoring points. He was ably assisted in this work by Dyke Lawson, Clarke and McVicar. It was a great game to win and despite the fact that the Mounties were travelling at top speed, the Kings were able to hold them in check at all points.

The first period was fast from bell to bell but neither team were able to get on the score sheet, although the Kings had far more scoring chances than the Mounties.

In the second stanza, Barriage notched the first tally three minutes after play opened and gave the Thorold outfit that odd edge that means so much to any team. At the eight minute mark Earl Tufford tied the game up on a nice pass from Lawson. One minute later he slapped home the second counter on a pass from Clarke and that gave the Kings the edge. From then on try and beat them. They were out to win that game and they did.

In the third period Old Pop McVicar got an idea in his head that another goal would be a nice thing to have and he razored through the Mounties to hand Artie Clarke a pass that the Nottawassaga Flash made no mistakes on. It took Old Pop 14 minutes to get that idea in his head, but better late than never. Three minutes later Earl Tufford, ably assisted by Clarke and Lawson, made it four for the Kings and the game was over.

If you believe Rex Stimers, that little boy, Bobby Robertson, did not have much to do all night. Kings defence was playing 100 per cent. heads up hockey and the front lines were going to town like nobody's business and that goes for Bobby Farrell and Cy Smye too.

Grimsby—Goal, Robertson; defence, Best, McVicar; centre, Lawson; wings, E. Tufford, Clark. Subs—Lamour, R. Tufford, Moore, Saunders, Hand.

Second Period
1—Thorold, Barriage (Wel-
ler) 2:35
2—Grimsby, E. Tufford (Law-

THUMBNAILED of the PEACH KINGS

EARL TUFFORD, is the second son of Charles "Jinks" and Mrs. Tufford, of Beamsville, and a brother to Monk, sterling defenceman of the St. Kitts Macs. Earl learned his hockey on the creeks and ponds around Beamsville and then blossomed forth as a winger in the "Saturday afternoon" league. He stepped into O.H.A. company with the Grimsby Peach Buds Junior aggregation and then the Peach Kings in the winter of 1934-5 and has been with them ever since. He is one of the few right hand shots that the team possesses and plays right wing. In a fast skater, a shifty stick handler and a dead shot when on. This lad was born in Clinton township on March 6th, 1917, and is nearing his 21st birthday. Stands 5 ft. 10 ins., weighs 170 pounds. Has light wavy hair and flirtatious eyes. Single, single.

BRIGHT SPOTS ON DRAB MAROON SKYLINE

Though Montreal Maroons have not been clicking in their N.H.L. campaign as yet, executives of the team are mightily enthused over the showing of this pair of recruits and figure they have a couple of future stars. The rookies are Maurice Croghan (LEFT) and Des Smith, both defencemen. Both are six-footers weighing in the neighborhood of 175 pounds and so far their work has been the bright spot of a rather drab Maroon season.

MACS DEFEAT PEACH KINGS 4-2 IN BEST GAME OF YEAR

Pace Was Fast But Visitors
Had The Most Foot — Old
"Speedy" Groh Gathers
Himself Four Points—Game
Clean.

Starring Alvin Groh, Joe Denson, Earl Tufford and Bobby Robertson, Friday night's St. Kitts-Grimsby game brought forth the best hockey seen in the arena this season. The score was 4 to 2 for the Macs, but every goal was earned and was a perfect indication of the strength of the two teams. From beginning to end the Garden City had the power turned on full and were topped on the play on few occasions.

Though they turned on the heat all the way the city kept their heads and only twice were penalized, while Kings drew time on six.

Joe Denson played as though inspired, as his game up until last night had been decidedly unsatisfactory both to his teammates and his supporters. He took and gave plenty but nothing was underhanded.

The GM's gave notice that they were out to avenge the previous night's loss. Sparked by "Speedy" Groh, the blues churned through the Kings and by the end of the period were out in front 2 to 1.

Groh picked up his first of four points for the night on a rebound after Jack Blair had taken the drive. However, Groh followed with a penalty on a trip and the Macs found themselves simply smothered by red jerseys. With but 2½ minutes to go Macs went in front by 2 to 0 when Bob Pinder picked up Groh's pass for a perfect goal.

Grimsby's first counter came rather as a surprise to both teams. Earl Tufford was seen to slump to the ice after crashing through to the corner while play went on without him. A quick leap to his

feet, a flick of the wrist and it was all over. The goal was scored with just half a minute to go. A peculiar situation arose early in the second period. Hand had drawn a penalty and with five seconds to serve, dashed onto the ice as the play passed the box. The timers called him back and Referee Moore soaked the Kings another penalty, this time to Dequetteville.

Artie Clark was touched when the Macmen slipped in their third goal, a Pinder to Groh play.

Kings came back in the final period to make the score 3-2 when Lawson took Earl Tufford's pass from behind the net to find Coup-land waiting. Both teams were a man short at the time, Clark and Ingis both serving time for trips.

Rounding out the 4-2 score Blair rifled home the final tally with but three minutes to go.

SUMMARY	
First Period	
Macs—Groh (Blair)	9:00
Macs—Pinder (Groh)	17:30
Kings—E. Tufford (Hand)	19:30
Penalties—Groh, Reid.	

Second Period	
Mac—Groh (Pinder)	17:00
Penalties: Hand, Dequetteville, Clark.

Macs—Blair Groh	17:00
Penalties: Clark, J. Ingis, R. Tufford.	

St. Catharines Macs: goal, Coup-land; defence, Denson and Ingis; centre, Groh; wings, Pinder and Blair; subs, L. Rombach, M. Tufford, A. Rombach, Fielding, Dorman.

Grimsby Peach Kings: goal, Robertson; defence, R. Tufford and McVicar; centre, Lawson; wings, E. Tufford and Hand; subs, Dequetteville, Reid, Clark, Best and Lamour.

Referee: "Dinty" Moore, Port Colborne.

SPORTLAND SPOTLIGHT IF IT'S A BOQUET OR A BRICKBAT THAT'S COMING TO YOU — YOU'LL GET IT

By J. ORLON "BONES" LIVINGSTON, Independent Sportologist

Fred Jackson, Sports Editor of The Toronto Star, gave the Hamilton hockey situation a curvy combing in his sports column, the other night, that will not set very well with a lot of the Ambitious City hockey promoters. He told them a lot of truths and it is the truth that hurts. ... Here's a hot one." New Haven, Conn., everyone agreed that the goal fired by Red Young in a hockey match was a "hot shot." Not only did the puck skim squarely into the net but on its way it grazed the hip pocket of Goalie Red Ward and set fire to a box of matches he was carrying." Boy, page Tom Warner. ... There is a great time in store for the kids of the town. The new Fulton street bridge will be opened to traffic in about 10 days or two weeks and Scottie MacKay is going to play host to all the urchins of the burg and feed them on candies. ... Trader Horne ex-Port Colborne senior is back in hockey. This time with the Incon, and the old Sailor has sure proved a dynamite spark plug for the lakesiders. ... Tommy Boyd brings his Niagara Falls Cataracts to town on Friday night and it is worth the price of admission alone to see Branchley and Steele perform. This pair of boys are playing the best hockey of their careers and that is some hockey when you consider that Branchley was good enough to make the grade in England for two seasons and could be over there now if he so desired. Cats are just about the best team the Big Roar town has had in several years and are sitting pretty on top of the group, but like Humphy-Dumpty they are due for a fall and it wouldn't be surprising if the Kings are the team that give them the tumble. ... Three wins in one night is pretty sweet going for one little town, but that is just what the three Grimsby teams put over on Tuesday night. Independents and Peach Pits cakewalked with their games and then the Peach Kings walked into Thorold and pulled out a win that just made the cream in the coffee taste all the sweeter. ... Scottie MacKay and this writer missed a nice bet on Tuesday night. We both missed that Kings-Thorold game. Just thought it would be another trip for nothing. Even the wisest of men get crossed up.

THE HUNTER'S DOG

(Louisiana Conservation Review)

A hunter and his dog make a glorious pair; No better friendship is found anywhere. For they talk and they talk and they run and they play. And they have their deep secrets for many a day. That hunter's a comrade that thinks and that feels. Who walks down the street with a dog at his heels.

He may go where he will and his dog will be there, May revel in mud, and his dog will not care, Faithful he'll stay for the slightest command, And bark with delight at the touch of his hand. Oh! he owns a treasure which nobody steals. Who walks down the street with a dog at his heels.

No other can lure him away from his side; He's proof against riches and station and pride; Fine dress does not charm him, and flattery's breath Is lost on the dog, for he's faithful till death. He sees the great soul which the body conceals— It's great to go hunting with a dog at your heels.

If a foreigner becomes naturalized in the United States after his children have reached their majority, the children do not become citizens by virtue of their father's naturalization; they must take out their own papers.

2-WAY RELIEF FOR THE MISERY OF COLDS

The speed with which "Aspirin" tablets act in relieving the distressing symptoms of colds and accompanying sore throat is utterly amazing... and the treatment is simple and pleasant. This is all you do. Crush and dissolve three "Aspirin" tablets in one-third glass of water. Then gargle with this mixture twice, holding your head well back. This medicinal gargle will not act like a local anesthetic on the sore, irritated membrane of your throat. Pain ceases promptly; rawness is relieved. You will say it is remarkable. And the few cents it costs effects a big saving over expensive "throat lozenges" and strong medicines.

"Aspirin" tablets are made in Canada. "Aspirin" is the registered trademark of the Bayer Company, Limited, of Windsor, Ontario. Look for the name Bayer in the form of a cross on every tablet.

GRIMSBY CENTRE

An old-fashioned sleighing party was held here last Thursday when six carloads of young folk come down from Hamilton and transferred here on to Henry Haws' sleighs and went for a merry ride. It was the largest load seen around here and scaled over 2½ tons. On returning a wicker roast was greatly enjoyed also music and in the early hours a tired party returning stated that they had had a fine time.

Several young men went on a rabbit shoot and returned with 15 jack rabbits to their credit. You don't need to go far from here to have good sport as there are plenty of rabbits in this locality and unless the hunters keep them down they will be a serious menace to our fruit farmers. Around Owen Sound they are doing much damage to young fruit trees and over 400 were shot in one day.

DOMESTIC WATER METERS

(Continued from page 1)

and has never been overhauled since then, a matter of four years. Repairs last month amounted to \$18.90. The truck is not now in operation. A complete overhaul would cost \$62.

Wells—From what I know of that truck I wouldn't spend \$60 on it, or any other second-hand truck.

Johnson—If LePage says it will work as good as ever for the next two years, I would say have the work done. If it is going to continue causing expense like this I would dispose of it.

Supt. Smith—I think it is a good truck yet if overhauled.

Wells—I am not in favor of spending that amount on it, until I know a little more about it.

Johnson—In the meantime how is this man going to get around his work.

Smith—I might manage for a few days.

Commissioner Johnson stated that the town had disposed of all the houses and lots on Robinson street south, from Clarke street to the C.N.R. tracks and all tenanted. In the sale of the properties the town had agreed to see that a water main was laid in order to provide water to the houses.

Supt. Smith—That line has been figured on. It would be a two-inch main 300 feet long with same cross-section service piping.

There are six houses on this street now which would at least produce \$38 a year revenue.

Commissioner decided to go ahead with the work immediately, labor for the trench digging to be arranged for with the Relief Officer.

"For several years now there has been discussion about water meters," stated Mayor Johnson, "and there have been remarks on the street and other places about town regarding the meters and I have been blamed for those remarks. If I were responsible I would be willing to take the blame. Maybe I am and maybe I am not, in any event I am glad the question was opened up. My point is that all should be metered or all not metered. I am satisfied either way, but not satisfied with part and part. My rates are a little cheaper on the meter."

There are 67 meters in town, 12 of them domestic meters.

Linden-Smith—I do not think that one house should be metered and another one not.

Wells—Because a price basis of 35 cents a thousand for a minimum of 10,000 gallons is set, do not think you can pump water for that price, for you cannot. Put them on a meter and they will not use that amount of water. General overhead remains the same. When our pumping gallonage decreases our gallonage costs increase. 57 per cent. of the water now pumped in Grimsby is metered to industrial and commercial concerns and North Grimsby.

Linden-Smith—I do not believe in skimping the people on water, particularly the poor man. I would sooner throw away a few thousand gallons than skimp on the people.

Johnson—Linden-Smith—That meters installed in private residences be removed and the residences placed on flat rate as from April 1st, 1936—Carried.

The question of a new pump at the pumping station was discussed for a few minutes but not gone into thoroughly. Commission will visit the pump house and drive into the pump situation fully. Mr. Wells stated that electric power costs in 1936 were \$2,385. With a new pump of the latest type the power cost would only have been \$1,384.

The present two pumps use 83 horse power to pump less than 300 gallons a minute. One of the new type pumps would use 72 horse power and pump 700 gallons a minute. A new pump would cost from \$1,000 to \$1,200, installed. The saving in power bill would be about \$75 a month, and there could be over double the gallonage pumped.

EIGHTEEN WARDENS TO PROTECT GAME

Ontario Department of Game and Fisheries have announced the appointment of Deputy Game Wardens for this district, as follows, appointments to be effective to December 31st, 1938.

Grimsby and North Grimsby—Francis D. Bacon, R.R. 1; Edward Bernardo, Wray Fisher, Frank Hurst, John A. Jacklin, George Warner, Robert Neale, R.R. 1. Beaumville—Harry W. Banks, George Seymour, Leslie Frost, R.R. 3; Leon L. Myers, R.R. 1. St. Ann's—John Cavers, Viscount Station—Orlando Church, Harry Lilley; Calster Centre—William A. Dixon, Wellandport—Murray Lymburner, Smithville—George E. Maycock, Willis Travis, R.R. 1. Provincial Constable I. R. Robble, Grimsby, is in charge of game law enforcement for the western portion of Lincoln county.

NEW SENATOR

Duncan Marshall, who Thursday was appointed to the Canadian Senate by Premier King. Mr. Marshall was former minister of agriculture in the Hepburn government, and with Norman Lambert will fill the two Ontario vacancies in the Senate.

Power saving in one year would nearly pay for the new pump. Present meters would still be used.

Pumping costs now are two cents a 1,000 gallons. With the new pump, the pumping costs are 23 cents per 1,000 gallons.

Commission will immediately confer with Hydro officials and pump manufacturers on the matter.

Chairman Wells handed a motion around the table to dispense with the commission fees for meetings, but it came back to him minus signatures.

Dec. 1937, Pumping—Gals. Meter reading Dec. 31st.

1937 759,824,000
Meter reading, Nov. 30, 1937 754,284,000

Dec. pumping 4,440,000
Average per day 143,226
Biggest day, Dec. 1 180,000
Smallest day, Dec. 26 115,000

Decrease for month from Dec. 1936 1,153,000

Decrease in aver. per day, from Dec. 1936 37,161

Pumping for Year 1937—Gals. Meter reading, Dec. 31, 1937 759,824,000

1936 674,606,000
Pumping for year 1937 84,218,000

Plus Gas Engine (Approx.) 57,000

Plus Air Comp. (by meter) 218,000

Total Pumping for year 1937 84,486,000

Aver. per day for year, 1937 231,474

Biggest day in year, Sept. 2nd 560,000

Smallest day in year, Dec. 26th 115,000

Decrease for year from 1936 27,243,910

Decrease in aver. per day from 1936 73,802

During the month of July, 1937—364 people had their hunches on the pump-house grounds and 273 more people were down just looking around which makes a total of 637 for that month alone. The above figures do not include any of the local boys or girls who came down to swim. Nearly every afternoon during the month dozens of boys and girls were down swimming.

The above count was kept from July 3rd to July 31st, 1937.

The large decrease in pumping for December 1937 over 1936, was due to the fact that owing to a break in the intake pipe in 1936, a tremendous amount of backwashing of the filters had to be done and close to a million gallons were used for this purpose. The filters were backwashed 235 times in this month.

A tall, slender plant, bamboo, has hollow, straight, pointed stems, which spring from an underground root stock. The most rapidly growing of the higher plants, bamboo usually grows in dense clumps.

GRASSIE

Wedding bells rang merrily on Saturday for Miss Julia Dotonski and Mr. Oscar Hybert, who were recently married, at Smithville. We wish them every happiness for the future.

Mr. and Mrs. J. Forcell of Tweeddale, visited at Merritt's on Sunday.

Miss Edith Lampman was rushed to the hospital on Friday for an appendicitis operation, and is progressing favorably.

Mr. Shivas and Mr. Wikie, Gospel Evangelists, conducted the services at the Church Sunday afternoon. Meetings will be held all this week in the Grassie Hall at 8 o'clock. A cordial invitation is extended to everyone.

GRASSIE W. I.

The members of the Grassie W. I. were entertained at Mrs. A. W. Metcalfe's home last Thursday afternoon. The program was devoted to the study of "Canadianization" and "Education."

Mrs. Gordon Metcalfe gave a splendid address on welcoming and helping our new Canadians, and Mrs. Bradt gave a very interesting paper on Education, related to the schools, Women's Institutes and the Community.

A vocal solo was appreciated from Mrs. Richardson. A reading from Mrs. C. Book. Vocal duet by Mrs. Johnson and Mrs. Black, also piano selections by Mrs. A. Ingelhart and Mrs. Black.

Mrs. Metcalfe concluded the program with a contest, after which a dainty lunch was served.

The February meeting is to be held at Mrs. H. Sterling's home.

233,000 PEACH TREES

(Continued from page 1)

average of recent years. The trend in grape plantings has been steadily downward and the high point of production probably has been passed. The cherry crop was below average for the third successive year, adverse weather conditions being mainly responsible. Strawberry production was sharply higher than in 1936 but still short of the record yield of 1935. The raspberry crop practically equalled the average of the years 1931-35.

Plantings of peach trees in Canada rose sharply from 81,000 in 1920 to 178,000 in 1929. They declined to 84,000 in 1930 and then rose sharply to 248,000 in 1936 and 233,000 in 1937. Production figures reached a peak in 1931 but have since fallen off. It is probable that the heavy plantings of the last few years will be reflected in increased production in the near future.

Peach production in 1937, estimated at 641,000 bushels was 56 per cent. more than the small 1936 crop but 11 per cent. less than the five-year average 1931-35 of 720,000 bushels. The yield in Ontario of 523,000 bushels as compared with 402,000 bushels in 1936 was still about 20 per cent. below the five-year average of 650,000 bushels. In British Columbia the crop of 116,000 bushels was more than four times the small 1936 yield of only 28,000 bushels and 166 per cent. of the five-year average of 70,000 bushels.

The increased production in British Columbia was partly accounted for by the coming into bearing of quite large plantings. While the crop was generally of good quality, the fruit was small in the Rochester and earlier varieties due mainly to the effects of injury received during the winter of 1935-36. Despite the comparatively heavy tonnage, the crop was disposed of readily.

While the production of peaches in Ontario was about 30 per cent. greater than in 1936, bearing acreage remained about the same. However, heavy new plantings were taking place annually and will soon more than offset the acreage reduction shown in 1936. The fresh fruit demand was stimulated by an advertising campaign which informed the consumer of recent change in the heavy production period. This change has been brought about by the comparatively heavy plantings of a newer "v" type varieties, Vetrin, Vidette and Valiant, which are now harvested in volume ten days to two weeks earlier than the Derta variety, formerly the first heavy producer.

Imports of peaches during the fiscal year 1936-37 totalled 16.1 million pounds as compared with 9.7 million pounds imported during the previous year, or an increase of about 66 per cent. The 1937 figure represents an increase of nearly 147 per cent. as compared with the five-year average 1931-35 of a comparatively 6.6 million pounds.

It is estimated that during the seven days of Toronto's Real Winter Fair Boy Scouts at a Information Booth answered 20,000 questions.

LEAVES FOR CHINA

Sir Archibald Clark Kerr, new British ambassador to China, is shown leaving his London home. Formerly ambassador in Baghdad, he succeeds Sir Hugh Knatchbull-Hugessen, who was machine-gunned by a Japanese aeroplane.

There are about 5,000 different languages in the world.

KNEW WHAT WOULD HAPPEN

On New Year's day a prominent resident of South Grimsby treated himself and family to a new 1938 car. On the following Sunday morning some of the neighbors heard him singing out in the garage something like this: Four new mud guards, Four-wheel brakes,

Four good snubbers, when she shakes
Four glass doors to enter in
Four good wheels to go like sin,
Four bright head lights, how they shine,
Four more payments, then she's mine.
A four mile drive then by heck
Four good drinks and she's a wreck.

DOLLARS SAVED ARE DOLLARS EARNED

NEW CHEVROLET TRUCKS

Chevrolet trucks give more miles per gallon of gasoline... go further on a quart of oil. The famous six-cylinder valve-in-head special truck engine is the standard by which operators compare power units. Chevrolet trucks are easier to service, more economical to maintain. Chevrolet trucks offer nation-wide parts and service facilities. Built in Canada, on special truck assembly lines, they are available in a wide choice of factory-built bodies.

These points explain why so many individual unit and fleet owners use and recommend Chevrolets. For your information, may we remind you that there is a model for every hauling job ready to pay its own way as you buy it on the easy monthly payments of the General Motors Rental Plan. Dollars saved through lowest purchase price and minimum upkeep—now dollars earned. Your Chevrolet dealer will give you more vital facts!

CANNOT INVADE HOMES

Ottawa, Jan. 25.—Radio inspectors are not authorized to invade the privacy of homes in search of extra radio sets under the new taxation regulation announced this week. Government authorities said here tonight.

"Radio inspectors will take the word of the householder regarding the number of sets in the homes," a Government officer said here tonight. "Certainly there will be no invasion of the homes. There may be a few who would evade the tax in this way, but we are confident of receiving honest answers from the vast majority." "Our only intention is to spread the cost with regard for those who have the greatest ability to pay," said the official. "A Canadian's home is as much his castle as is the Englishman's home."

At an executive meeting of St. Andrew's Men's Service Club, held on Tuesday evening, it was decided to hold a supper meeting on the evening of March 1st, when the Ladies' Guild of the Church will be in charge of the catering. A Ladies' Night will also be arranged for during the month of April, date for which will be set later.

Local Items of Interest

Ice banks at the lake have formed well out past the end of the pump house pier.

The inquest on Claude McLean, Clinton township farmer, who died on December 29th, is being held in Beamsville, this afternoon.

W. B. Switzer, 34 years old, and well known in this district, died at his home in Beamsville on Monday. Deceased was for 32 years clerk of Beamsville township.

The weekend thaw and mild weather which followed was a joy to farmers and stock raisers as it filled the empty wells and cisterns and relieved them of the arduous task of hauling water.

Monck Agricultural Society held its annual meeting at Wellandport last week and this meeting completed 80 years as an active organization. Many improvements will be made to the Wellandport fair grounds this coming summer.

North Grimsby township stone quarry at the top of the Park mountain has been reopened and 25 to 30 men are now being employed. They will be given two days work a week. Crushing operations will be started in about two weeks time.

Over 100 Owls attended the semi-monthly card party on Thursday night last. In Cribbage Russ Young, "Honey" Shelton, W. Johnson and Gene LaPage carried off the prizes, while in Euchre, H. McPherson, T. Mackie, C. A. Harris and D. Fisher were the winners. Next meeting is on Thursday night next.

Good catches of perch and other fish are reported from Jordan Harbor, where a number of anglers may be seen flailing their arms around to keep warm out on the Jordan Pond. After cutting a hole in the thick ice, they rig up their apparatus, with the hook and line attached to a stick which wiggles when a fish is biting. However, despite the hardships fishermen must endure to have a little fishing, they say that it is worth their while, on account of the number and quality of the fish that are biting.

Grimsby Horticultural Society held its annual meeting last week in the Municipal Office, with the President, G. G. Bourne in the chair. The Secretary-Treasurer W. E. Cullingford reported that the various activities of the Society had been well maintained during the year, with an increase in membership. The financial statement showed a small balance in hand. The following officers and directors were elected for 1938. Hon. President, Mrs. G. Luns. President, G. G. Bourne; 1st Vice-President, J. O. Moore; 2nd Vice-President, Mrs. H. J. Clarry; Secretary-Treasurer, W. E. Cullingford; Auditors, L. A. Bromley; Wm. Montgomery; Directors for two years: Mrs. E. Stonehouse, Mrs. M. Udell, E. Freshwater, T. G. Mould, Lloyd Pettit. For one year, Mrs. F. D. Aikens, Mrs. J. A. Wray, A. Henderson, E. J. Muir, H. Whitelake.

HOME APPLIANCE SHOP OPENING

Mr. C. Rushon, owner of Rushon's Tobacco and Barber Shop, is extending his activities to include the sale of DeForest Crosley Radios and Apex Washer and Ironers. Mr. Rushon is well known to residents of Grimsby and vicinity and it is his desire to give a service to home owners so that it will be possible to buy in Grimsby. All citizens of the town are extended a cordial invitation to visit Rushon's Appliance Shop.

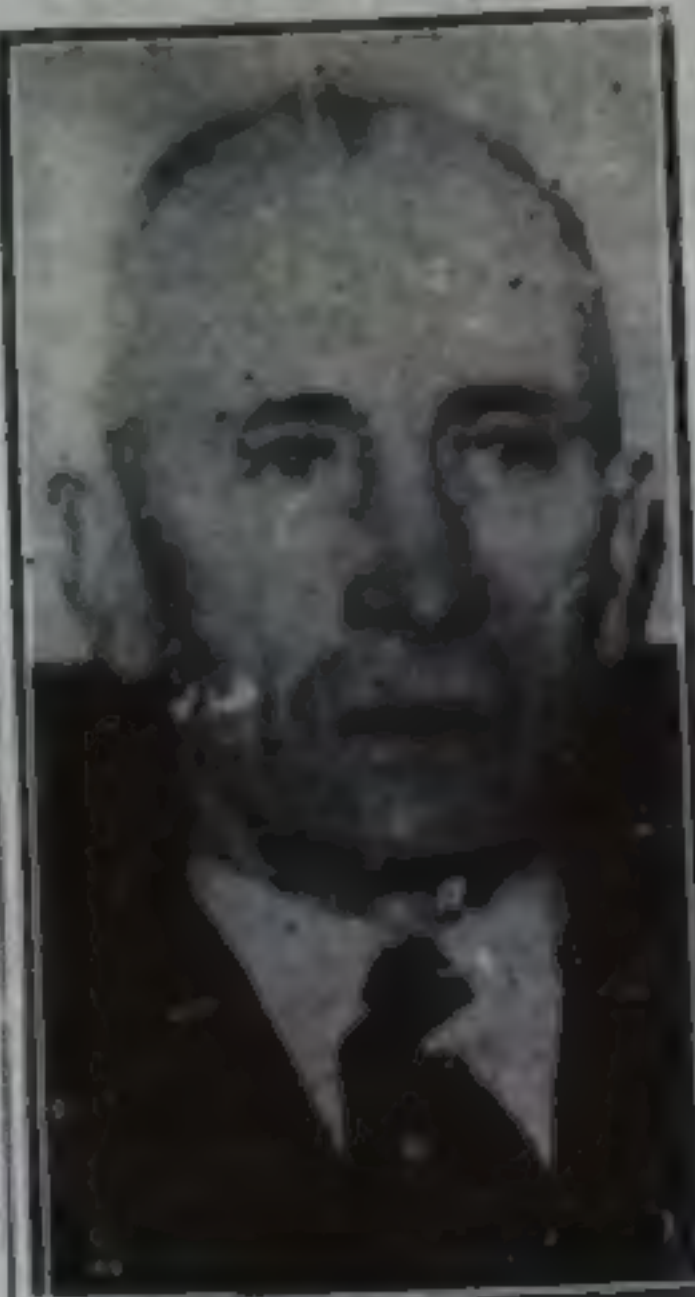

CANAL BRIDGE RAISED, LOWERED 3,000 TIMES

The Main Street lift bridge in Welland travelled a distance of 21½ miles or about the length of the Welland ship canal in being lifted and lowered during the past year, according to a record of its movements kept by the bridge manager.

The bridge was raised and lowered 4,444 times to permit the passage of 5,491 boats, an average of 15 times a day. It was in the air for 244 hours, or ten days and four hours. Such is the mechanical perfection of the lift that it requires only four cents' worth of electricity for each operation.

The importance of the Welland canal to Welland and Crowland is indicated by the tonnage handled at the docks. At the south dock, the tonnage amounted to 287,674 tons requiring 211 vessels. In Welland Centre docks, 33 vessels unloaded 47,182 tons. It is estimated that for each ton loaded or unloaded \$3 a ton in wages is left in the Welland area.

New Warden

REEVE STANLEY YOUNG, of Caistor Township, who will head up Lincoln County Council as Warden for the year 1938.

C. S. BEAN RETIRES

(Continued from page 1)
and that a copy of this resolution be sent to Mr. Bean.

During the past week the members of the Book Committee have been busy discarding old and obsolete volumes and on Wednesday and Thursday, January 26th and 27th, a complete inventory will be taken, the library being closed Thursday afternoon, for this purpose.

During January the following new books have been added: Thomson—The Mystery of the French Milliner; Reynolds—Black Flight; Freeman—Faint De; Footner—The Diving Bell; Larimore—Tuesday Never Comes; Charteris—Thieves Picnic; Baldwin—Manhattan Nights; Underlet, The Affluent Wife; Sabatini—The Lost King; Clark—Which We Did; Pearson—Transgressor in The Tropics; Hale—This is Ontario; Jackson—How to be Always Well; Tulang—My Country and my People; Bridge—Chamberlain's Nightshade; Baldwin—Katrina; Baird—John; Chatterton—Hit Blockade; Thornhill—Taking Tanganyika; Hamilton—Road Thru Kurdistan; Seltzer—Parade of Empty Boots; Mufford—Hopalong Cassidy Takes the Cards; Link—Return to Religion; Crow—400 Million Customers; West—Fepita; Morell—Patrons and Pros; Frank—Roaming in Hawaii; Ma; Frank—Roaming in Hawaii; Ludwig—Cleopatra; Broomfield—The Rascal Came; Roberts—Victoria—4.30.

WILL ASK TO HAVE LABORATORY MOVED

Having seen the largest attendance in the 75 years of its history, the Fruit Growers association of Ontario ended its annual convention at Hamilton on Friday. Most of the time was occupied in hearing papers and with passing resolutions. Officers of the body were re-elected for the coming year as follows: George Wilson, of Simcoe, president; Col. W. Andrews, of Beamsville, vice president, and P. W. Hodgetta, of Toronto, secretary-treasurer.

Principal among the resolutions passed at the afternoon meeting was one which urged the Dominion department of Agriculture to transfer the present experimental laboratory at Ottawa to the Vineland Experimental station. This was a motion sponsored by Niagara peninsula growers, who felt that the laboratory would be of more benefit in this district, where it would be located in the fruit belt.

PETTY THIEVING

In St. Catharines court on Friday a distressing case of juvenile delinquency came before His Honor Judge Stanbury when a young girl under fifteen years of age was charged with shop lifting. She and an older girl were caught in the act. The judge imposed a penalty of one year in the Girl Training School for girls with suspended sentence on probation is a Big Sister to be chosen by the superintendent of the Children's Aid Society. His honor declared that there was altogether too much petty stealing especially from store counters, and often with the knowledge and connivance of parents and he issued a warning that more severe penalties would follow if it was not stopped.

SLOT MACHINES MUST GO

(Continued from page 1)
placed in the attachments on all the machines in Grimsby, during the past year, it is doubtful if you would have \$5.00 worth. The candy vending attachment is on the machine but how often is there any candy in it?

The town of Aylmer has clamped down tight on slot machines, judging by the following paragraph in the Aylmer Express: "Last week a slot machine was seized in Aylmer, it having been operating in a local lunch room. The machine was returned to its out-of-town owner, but it is announced that any further installations of such machines will result in prosecution."

Sudbury City Council has voted to repeal a section of the city's licensing bylaw by which operation of slot machines was permissible. A vote of \$2,250 was derived in 1937 from slot-machine licenses under which a fee of \$1,500 is charged for the first machine and \$30 on each succeeding machine. Each owner or operator may operate a maximum of 40 machines.

The Ottawa Journal says: "Mr. Justice Latchford rules that slot machines are gambling devices and cannot be licensed by municipalities. The Ottawa police dept. came to the same decision years ago, and not a slot machine has operated here since. By the simple plan of letting it be known that aside from all other penalties the person installing a slot machine would forfeit automatically his cigarette license, his restaurant, or any other civic license he is holding, this form of petty gambling—that has created a problem in many parts of Ontario—has been exterminated from the capital."

Acting on the advice of the town solicitor, Chief of Police William McKee of Pembroke has taken prompt action to rid his town of slot machines, following the recent ruling at Osgoode Hall that they are illegal gambling devices. Under his signature, the following notice appears in the current issue of the Pembroke Standard-Observer: "All slot machines, pin-ball games and other gambling devices, which are installed in some of the local stores, are judged to be illegal and are hereby ordered to be removed from town within the next 24 hours, or they will be liable to be confiscated and destroyed, and action will be taken against the owners."

Mayor Wm. Morrison, K.C., of Hamilton states that slot machines have been cleaned out of Hamilton and that they are out to stay. The same thing must happen in Grimsby.

PUBLIC AUCTION

on Thursday, the 10th day of February, 1938, at the hour of two o'clock in the afternoon, at the farm of John Finchak, Grimsby, Ontario, the following property, namely:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being partly in the Town of Grimsby and partly in the Township of North Grimsby and being part of Lot 11 in the Broken Front and First Concession. More particularly described in the above mentioned mortgage.

On the said farm there is said to be erected a dwelling house with suitable farm buildings.

The lands will be sold subject to a reserve bid.

TERMS OF SALE of farm: Twenty-five per cent. of the purchase money to be paid down at the time of sale, the balance to be secured by a mortgage with interest at four per cent. per annum.

For further particulars and conditions of sale, apply to

W. ERIC STEWART, K.C.,

East Block Parliament Bldg.,

Toronto, Ontario.

Solicitor to the Mortgagee.

DATED AT TORONTO this 7th day of January, 1938.
